

FlexiFit™ 407

NASAL MASK

FlexiFit™ 407

The **FlexiFit™ 407** Nasal Mask, developed using our anthropometric database with thousands of facial contours, provides a better fit and superior comfort while maintaining the ease-of-use features common to the **FlexiFit™** Series.

- **FlexiFit™** Technology provides a greater range of movement at the nasal bridge, simplifying the fitting process while improving the seal and comfort.
- Unique **Glider™** Strap for freedom of movement while maintaining a seal.
- **Stretchgear™** Headgear maximizes comfort and minimizes facial pressure during head movement.
- Designed and contoured especially to meet the goal of one size to fit all.
- Fully assembled for a complete and simple Out-of-Box Solution.
